Joni,

I know that you're busy as all get out right now but our CPARS for ERRS is now overdue. When you get a chance, please provide comments and ratings and send to me in CPARS. Thx.

Team,

It's that time again...pull out your pen and give the contractor some feed-back on field performance. Listed below are task orders open during the past contract year and the OSC of designation. Please complete the attached evaluation form and return by May 1, 2015. Also, try to give good detail and comment to your review. If questions arise, please give me a call.
